15.40.050 Permitted use with a valid building permit.

(a) The provisions of this chapter shall not apply to the use or placement of construction refuse containers or storage containers pursuant to a valid building permit.

(b) Persons obtaining a building permit from the city must receive approval from the police department and the community development department for the location and duration of the placement of the refuse container and/or storage container prior to the issuance of said building permit. There shall be no fees associated with the approved placement of the construction refuse container or the storage container with a valid building permit if said container is placed on private property. [Ord. 07-019 § 2, 2007].
